Join Fresh Stop!

Fresh Stop is now accepting members for our third season! This season we will run from June 5th – October 16th. By becoming a Fresh Stop member you receive a weekly “share” of local, sustainably grown food. In addition to getting some wonderful food, 25% of your payments go towards paying for a share for a family in need. Please email freshstoplex@gmail.com for more information or to request a membership form.

What is Fresh Stop?

Fresh Stop is a Community Supported Agriculture (CSA) program with an urban development twist. We sell weekly food baskets that are priced on a sliding scale so that all can enjoy the harvest! (We are a nonprofit organization). All of our produce is grown in central Kentucky – mostly in Harrison County.

Our weekly baskets consist of 6-10 different fruits and vegetables.

Our distribution is on Sunday afternoon in downtown Lexington (please contact us if you are interested in becoming a member).

Summer of 2011 will be our third season!
